The Honorable Robert K. Dornan
Chairman
Republican Study Committee
House of Representatives
Washington, D.C. 20515

Dear Bob:

Thank you for inviting me to address the Republican Study Committee. I know that I would enjoy the conversation and the opportunity to meet with your group, but I have already accepted a number of speaking engagements for the remainder of this year and am committed to a period of travel.

I do look forward to seeing you soon in one or the other fora where our mutual interests manifest themselves, and in sharing views with you.

I thank you for inviting me and extend all good wishes to you.

Sincerely,
